AMERICAN MOWER—THE ONLY SELF
 OILING MACHINE.
 With the great advantage of construction in which
 Moving Machines have been brought, I call the atten-
 tion of Farmers to a Machine embracing STILL
 GREATER IMPROVEMENTS than any before ad-
 vanced to the public.
 Particular attention has been paid to the wants of
 the Farmer in the construction of the AMERICAN
 MOWER, to make it
 1. THE BEST MACHINE IN USE.
 2. There are numbers of Machines that do their work
 comparatively facilities, and yet there are inconve-
 niences that are greatly annoying to the operator, among
 them, the necessity of oiling the Machine, the
 necessity of stopping to adjust the Machine, and
 more particularly the crank-pin, or piston rod,
 which, if neglected, (as it is very apt to be) results in
 ruining the journals or boxes, and in permanent in-
 jury to any Machine. THE AMERICAN MOWER
 has the following features of excellence:
 THE BEARINGS OF THE AMERICAN MOWER,
 as well as the CRANK PIN, are all SELF-LUBRICA-
 TING, and require no oiling.
 The outer end of the Finger Bar will drop lower
 and lift higher than that of any other Mower.
 You can elevate the Finger Bar from a declining
 position to a horizontal position, or to a declin-
 ing position, by means of the hand lever, to pass over
 obstacles, by means of the hand lever, than that of
 any other joined bar Machine.
 The Finger Bar, in the Driving Wheel will pass
 over higher obstructions than the frame of any other
 Mower.
 The operator has a greater control over the Finger
 and over the Machine than any other Machine.
 The Finger Bar will conform to a more uneven sur-
 face than that of any other Machine, which is one
 of the MOST IMPORTANT features in a perfect Mower.
 The Mower can be used in any position, independ-
 ently of the other, and in turning, either way, the
 knives are kept in rapid motion.
 The Draft is from the front of the frame which
 gives it great advantages over those that draw from
 the pole.
 IT HAS AN EASY SPRING SEAT FOR THE DRIVER.
 It backs out of gear, and can be thrown in and out
 of gear, by means of a hand lever.
 It has a folding Bar, and can be folded without dis-
 connecting the Piston.
 It is of LIGHT WEIGHT, and has no unnecessary
 weight.
 It is more simple and perfect in its construction,
 and has more strength, with lightness combined, than
 any other Mower.
 I defy contradiction to the above, and invite the
 scrutiny of ALL who are in any way interested in the
 Farming interest to examine this Mower, feeling con-
 fidently that it will give satisfaction.

R. R. R.—THE UNIVERSALITY OF
 THE CHEAPEST AND BEST MEDICINE FOR
 FAMILY USE IN THE WORLD.
 ONE 50 CENT BOTTLE
 will cure most ailments and prevent the system
 against sudden attacks of epidemic and contagious
 diseases—than one hundred dollars expended for
 other medicines or medical attendance.
 The moment a child is born, a FAMILIAR RELIEF
 should be used to guard against cholera, diphtheria,
 applied externally or taken internally, according to
 directions, pain from whatever cause, ceases to
 exist.
 1849. **ARIATIC CHOLERA.** 1849.
 In 1849 Radway's Ready Relief cured over 10,000
 persons seized with Asiatic Cholera, and by the
 timely use as a preventive, saved over one million
 lives.
 1856. **YELLOW FEVER.** 1856.
 In 1856 Radway's Ready Relief cured thousands of
 persons seized with Yellow Fever. As a preventive
 of this terrible disease, Dr. Frederick B. Fane, of
 Mississippi, used it to the great relief of the
 Southern States, and publicly recommended it as
 the most certain safeguard in the world.
 DURING THE WAR
 more lives were saved by the use of Radway's Ready
 Relief than from the best efforts of the medical staff.
 We have hundreds of letters proving this fact. We
 have the evidence to prove that in cases where men,
 by the use of Radway's Ready Relief, bottom lands, rice
 fields, &c. need Radway's Ready Relief, and where
 escaped sickness: those who did not were seized with
 Dysentery, Swamp Fevers, Bilious Fevers, Diar-
 rhea, Cholera, Rheumatism, &c. and those only who
 when thus seized, used the Ready Relief, entirely
 recovered.
 ITS UNIVERSAL USE.
 It cures the most difficult ailments in all
 climates. It has been tested in Africa, South
 America, Europe, East and West Indies, and
 cured the worst forms of Cholera, Dysentery,
 Biliousness, and all the ailments of the tropics,
 ship and other fevers, and never failed in ac-
 cording to the directions.
 WHY NOT?
 If Radway's Ready Relief possesses such remark-
 able disintegrating, neutralizing, strengthening,
 aperient, sudorific, anodyne, and other properties,
 it cures the most difficult forms of disease as they exist,
 in the most sickly climates of the world, and where
 the poisonous malarial is so thick that "you may
 almost cut it with a knife," why not cure with the
 great and only cure of all sorts of fevers of the milder type
 of cholera, dysentery, biliousness, dysentery, Diar-
 rhea, and Ague, Bilious Fevers, Influenza, &c. are but
 the milder and weaker forms of the more terrible
 diseases. If it cures the worst forms as they exist in
 the most sickly climates, it will readily cure the less
 as they prevail amongst us.
 DOMESTIC PURPOSES
 Every family should be provided with a bottle of
 "Radway's Ready Relief." One bottle costs only 50
 cents, and this bottle can be used for various purposes
 with the assistance of doing more permanent good
 than one hundred dollars expended for other medi-
 cines. It cures cholera, dysentery, &c. If suddenly
 seized with sickness the use of the Relief will in-
 stantly arrest the disease, and afford immediate ease
 to the patient.
TEN YEARS' RHEUMATISM
 CURED BY RUBBING THE SPINE WITH
 RADWAY'S READY RELIEF.
 Robert E. Key, aged 60, has been afflicted with
 Rheumatism for the past 13 months. He was
 confined to his room, perfectly helpless; his
 limbs were distorted, swollen and misshapen; his
 limbs cramped so that he could neither move his
 feet nor open his eyes; his rheumatic pain
 ran riot all over his body; moving him from his
 bed involved the most intense suffering. He was
 induced to have his spine rubbed one hour, morning
 and night, with Radway's Ready Relief. The first
 rubbing gave him ease; a few successive rubbings
 relieved him of pain; one month's application of the
 Relief and a few doses of Radway's Pills cured him.
 He is now in the enjoyment of perfect health, and
 Pills occasionally only.

A FAMILY MEDICINE
 As a family medicine it is the most useful remedy
 known to the world. It is used with pain or sickness,
 or threatened with any malignant disease, its use
 will quickly cure the patient and protect the system
 against attacks. In a few minutes after the applica-
 tion of Radway's Ready Relief, or its administration
 internally, the patient seized with the most
 excruciating Pain, Aches, Cramps, Rheumatism,
 Neuralgia, Lumbago, Fever, and Ague, Spasms, Sore
 Throat, Influenza, &c. in either congestion, or inflam-
 mation, will enjoy ease and comfort.
IMPORTANT.—To farmers and others residing in
 sparsely settled districts where it is difficult to secure
 the services of a physician, Radway's Ready Relief is
 invaluable. It can be used with positive assurance
 of doing good in all cases where pain or discomfort
 is experienced, or if seized with influenza, diphtheria,
 sore throat, and coughs, hoarseness, bilious colic,
 inflammation of the bowels, stomach, lungs, liver,
 kidneys, or with neuralgia, headache, tic doloureux,
 toothache, earache, or with lumbago, pain in the
 back, or rheumatism, cholera, cholera morbus,
 or dysentery, or with bilious, colic or spasms, or
 strychnine, cramps or spasms. The application of
 Radway's Ready Relief will cure you of the worst
 of these complaints.
RHEUMATISM.—This painful disease has baffled
 the most skillful physicians and popular remedies. It
 is the most difficult of diseases to treat—yet Radway's
 Ready Relief is a powerful and affording immediate
 relief to the sufferer; and in all cases of acute
 inflammatory or nervous rheumatism, to effect a
 permanent cure. In chronic rheumatism and gout,
 radway's Cleansing Syrup, called Renovating Inven-
 tion, should be taken as an adjunct with the Ready
 Relief.
